

SYNCHRONICITY – by Kurt April (Cape Town, August 2018)

Many forces

Some seen, some not

Interlaced

Pushing towards an outcome

Presents the happening

Appearing as a whole

Some notice, some not

Individual wishes

Through conscious purposing

Engaged will

Hoping for an outcome

Oblivious to the unseen

Some aware, some not

Hindered by other purposing

Others

Separate

Some aligned, some not

Compromised outcome

No-one has willed

Some happy, some not
